Commissioner of Land Revenue and Irrigation

Read the following:-

G.O.No. 2155 Ms. (Revenue) dated 26-7-43 and Government Memo 2873-P/43-6 Revenue dated 29-11-43.

Letter from I.M.Fraser Esq., I.C.S., Collector of Bellary No.Rc. 2873/44 dated 21st April 1944.-

In G.C.No. 2166 (Ms.) dated 26-7-43 the Government accored sanction for clearance of silt, berm cutting etc., in the Hagari Channel in Kadlabal village of Hadagalli taluk at a cost not exceeding Rs.5600/-. The estimate was forwarded to the Executive Engineer, Bellary for execution. The Superintending Engineer, Anantapur, has now sent a revised estimate for Rs.7000/- for sanction as the previous estimate was prepared with reference to the then existing schedule of rates, which has since been revised due to the present market condition and rise in the cost of food grains. The revised estimate prepared with reference to the revised schedule of rates is enclosed countersigned by me. I request that the Board may be pleased to obtain the sanction of the Government for the amount covered by the revised estimate.

2. I also enclose 3 plans and an estimate for Rs.1060/- prepared by the Minor Irrigation Department for reference and return.

Reference

Submitted to the Government.

2. The expense now proposed is about Rs.70/- per acre, or very nearly the whole extra Rs.73/- per acre promised by the ryots capitalised at 25 years' purchase. The Board considers that it would be desirable to postpone the work till it can be done more cheaply if it were not necessary to promote the maximum production of food in the district now. It therefore requests that the Government may be pleased to sanction the revised estimate for Rs.7000/- as part of the Grow More Food Campaign.

G.O. No 1125 dy 2-6-44

In view of the need to increase the production of food crops H.E the Gov^r is pleased to sanction the revised estimate for the clearance of silt, berm cutting etc., of the Hagari channel in the Kadlabal village, Hadagalli taluk, Bellary district at a cost not exceeding Rs 7000/- (Rupees Seven thousand only) in lieu of the estimate already sanctioned in G.O. No 2166/Res dy 26-7-1943.

Note The draft was sent to Board and Fin for acceptance vide para 2 of Collr's letter. The estimate for Rs 1060 prepared by the M.I. Depn relates to clearance

2~~2~~ 3 5 last line of 22 (P)
of silt from ~~55 33~~ ft to 20273 ft. of the Channel. This
~~is treated as~~ has been included in the R.E. now subd by the Collr. No. separate
orders are called for in this para of the Collrs letter.

With regard to the remunerative aspect of the work, attention is invited to Fin dept's notes on p 21 of (T). Under the R.E the net outlay at the beginning of the fourth year will be Rs 5725 and the net income will be Rs 226 p.a. which works out to 3·9%. The Board apparently thinks that there will be no return. as the capitalised value of the extra assessment ~~proposed~~ promised by the ryots will be very nearly the expense now proposed. ~~In view of the returns expected under Finance dept's calculation the Board's views does not seem unreasonable~~ The R.E may be sanctioned. A draft order is subd for approval & it may be sent to P.W.D & Fin for acceptance

Finance (Exp.B.)

Please see this Department's note on pp. 20-22 of G.O. No. 2166, Revenue, dated 26-11-1943 - Flag (J).

It was estimated that the net outlay at the beginning of the fourth year will be Rs. 4,325 and a return of 5% would be realised. On the basis of the revised estimate, the net outlay at the beginning of the fourth year will be Rs.5,725 and the return will be 3.9%. As the work is to be sanctioned as a Grow More Food measure, Finance may agree to the proposal.

The draft order may be accepted and the case returned to Revenue.
